

FRIENDS OF WINNACUNNET FOUNDATION
Post Office Box 1002
Hampton, NH 03843

The Foundation, comprised of residents from the four towns of Seabrook, Hampton Falls, Hampton and North Hampton, has been conducting a "Buy a Brick" campaign for several months that would allow high school alumni and other community residents an opportunity to make history by having their names engraved on a brick which will be placed in a walkway on the flagpole island in front of the main entrance to the high school.

Some others have felt that they would like their gift to be of greater substance than a brick and for those people the Foundation is offering the opportunity to purchase a solid granite bench, also suitably engraved, which will be strategically placed around the island to supplement the brick walkway.

These highly polished benches are of course made from New Hampshire's most famous product, granite. The measurements are: 48" long, 14" wide and 4" thick. They will be installed on a fixed permanent base to discourage vandalism. The cost for one of these highly attractive benches is \$1,000. Including up to 20 characters of engraving. Additional characters will be available depending on space availability at \$5. ea.

The photo below depicts a typical granite bench, without the permanent base, of the approximate sizes mentioned above. The seat surface is highly polished. Engraving may be applied directly on the seat surface or along the front side of the seat.

Orders for these benches can be placed by completing this form and returning it to the Friends of Winnacunnet Foundation, P. O. Box 1002, Hampton, NH 03843 and a check made payable to the foundation in the amount of \$1,000.00 plus and additional \$5.00 for each character in excess of twenty.

This fund raising opportunity is being done to provide supplemental funding to enhance a program of excellence in education at the Winnacunnet High School. All donations are tax-deductible (IRS 501 [c] [3] applied for). For further information write to the above address or call 926-7850.
